At the beginning of second semester, 30 students launched into the enlarged Independent Study program, under the leadership of Mr. Richard Martinez, faculty sponsor. These students worked with teacher advisors to coordinate study plans and decided their own evaluation procedures. Class attendance was not compulsory and students went on field trips, attended Junior College classes, and did special research projects.

# Homecoming Spirit Dammed Spartans

Traditional activities were held to celebrate Homecoming with the theme of "Tornadoes Bridge Spartans Troubled Waters." Tornado Tales on Thursday night included three skits, The Tornadoettes and the crowning of Shawn Tanney as queen. A special activity period on Friday gave students time to organize the parade through downtown Clearwater. Tornadoes defeated the Lakewood Spartans Friday night with a score of 41 to 9. Saturday night the music of Milk and Honey was featured at the dance held in the gym.

(Clockwise, from top right) "Tomatoettes" giggled their way through their part in the senior class skit; Linda Griffin, insulted by remarks of the dirty old man, womps Brad Macdonald on the head; Seniors John Godwin and Jon Rasmussen present the Fickle Finger of Fate Award; The Tornadoettes do a pom-pom routine at Tornado Tales.

# Students Took Advantage Of Activity Day

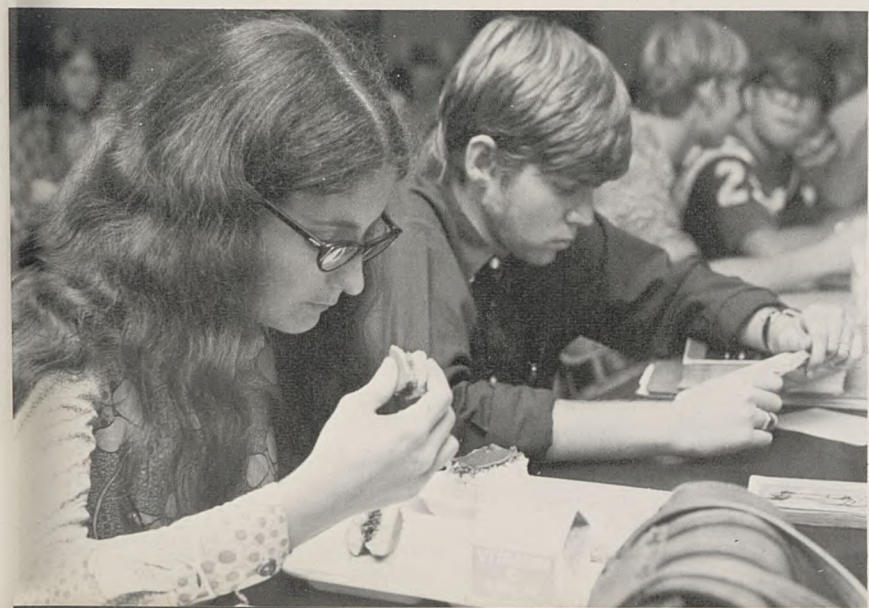

Activity period was set up to allow a meeting time for clubs. Many students used this time to meet with clubs, study in the library, or receive individual help from teachers. However, a large number of students used Thursday as an excuse to get out of school early. At the end of six period, hordes of students could be seen dashing to their cars, running to McDonalds and heading to the beach.

(Clockwise, from top right) Students work inside and outside of the library during the free activity time; Mr. Nelis gives help to English students; club groups use activity period to work on money-making projects; the parking lot empties quickly on Thursday afternoon; Activity Day allows students time to prepare for Tornado Tales.

The entertainment was held at Curtis Hixon Convention Hall in Tampa, at the Bayfront Center in St. Petersburg, and at Ft. Homer Hesterly Armory in Tampa. Individual performers included James Taylor, Alice Cooper, Tom Jones, Dionne Warwick, Jose Feliciano, David Cassidy, and Country Joe MacDonald. Some of the groups featured were Chicago, Ike and Tina Turner, the Carpenters, the Lettermen, James Gang, Spirit, Ten Years After, and Three Dog Night.

# Weekends Made Studying Bearable

Students and teachers cherished weekends. After five days of classes and studies, the two day break was always welcomed. There were plenty of things to do on weekends which never seemed long enough. The two days were used for picnics, concerts, athletics, jobs, the beach, and many more activities. The only bad thing about a weekend was Monday morning.

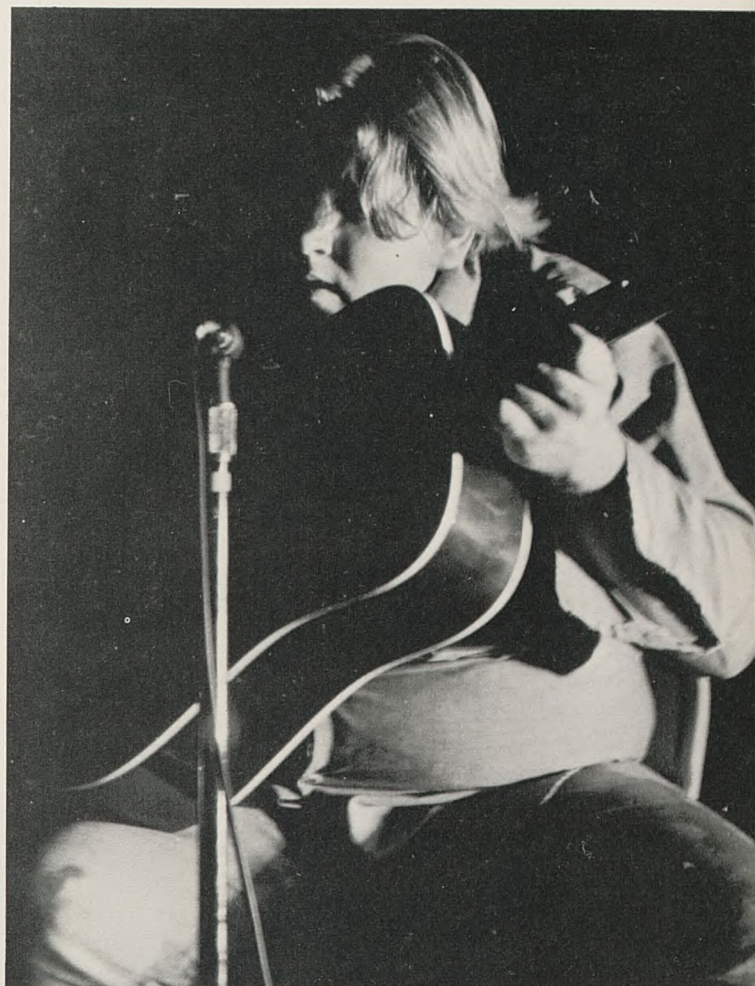

(Clockwise, from top right) Sherry Madley and Eric Shaw bicycle to the beach and feed the birds; Rhonda Elmlinger and Tim Houk race at the Rem Tracks on a Saturday afternoon; Disney World attracted many area residents for weekend visits.

# Sweetheart Was A World Of Color

Decorations for the 1972 Sweetheart Dance followed the theme of "Color My World." The dance was held on February 12 with music provided by the group "Bacchus." Coach Sal Gaiter presented this year's court and then introduced Beth McMullen, last year's queen. Beth crowned Cindy Rice queen for this year. Other senior girls on the court were Anne McMullen, Peggy Meese and Eileen Murray.

# Sophomores Worked For Experience

Designed to reduce the dropout rates, the Tenth Grade Work Experience Program helped sophomores to find jobs that would provide valuable practical skills as well as serve as an incentive to stay in school. Students were required to take at least four regular classes a day before work in the afternoon. Training was foremost in placing the students in a job to meet his abilities and needs, and participants in this program found it fun and beneficial.

Breaking off from the FBLA at the beginning of the year, the newly formed Student Business Club worked independently from all other school business clubs. A court reporter and a speaker from the telephone company demonstrated equipment to the members. A planned trip to Disney World was helped along with funds earned from a cotton candy sale and a car wash in March.

(Clockwise, from top left) Bryan Bisson enlarges picture for Clearlight; Robert Noguere sets up group shot; Chief Photographer Richard Radloff does studio work with his model.

# Independent Study Composed Fathoms

Due to scheduling difficulties, selection of staffers for Fathoms, the CHS literary magazine, was limited to Independent Study students. Chosen by the English Department, the nine members of the reading board judged and edited poems, short stories, essays, and art work submitted by the student body.

(From left) Susan Mariani, Stanton Tripodis, Maribeth Cassels, Karen Simpson, Paul Stavros.

# Clearlight Moved To New Innovations

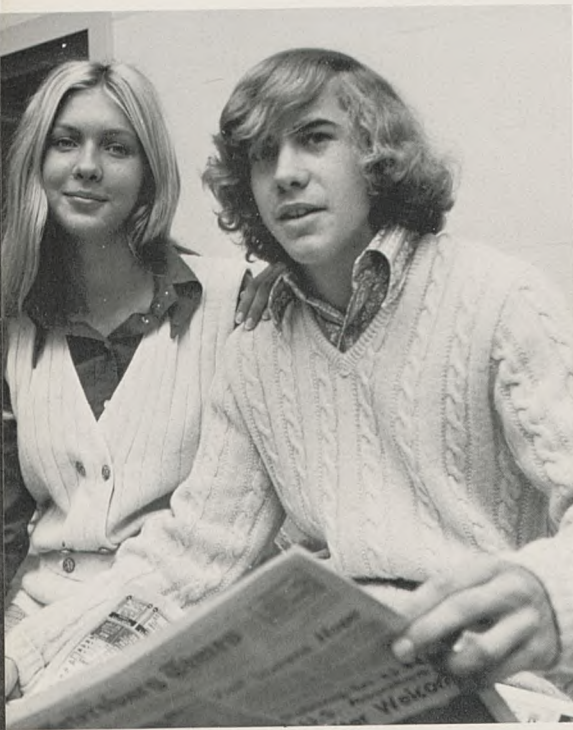

News of concerts, politics, clubs, and many special features enlivened the Clearlight. In an anti-inflationary move by the staff, the price of the paper dropped to a dime, and the paper went to newsprint. The Editorial Board was enlarged to include class presidents, the Student Council president, a faculty member, and the assistant principal, in an attempt to get a wider range of opinions. Clearlight worked to maintain the first class rating received from the National Scholastic Press Association in 1971, and the paper was locally recognized at the Clearwater Sun awards banquet. Along with the other publications, Clearlight sent four staffers to compete in the FSPA convention in St. Petersburg.

Eighteen selected students played with the 1,076 piece band at the opening of Disney World in October. Members of the Stage Band were invited to attend a Stage Band Festival at Loyola University in New Orleans.

# Junior Varsity Went Undefeated

After seeing most of the tenth grade talent go up to varsity, a great amount of teamwork and determination on the part of the JV club clinched the PCC Crown. The baby Tornadoes ended with an undefeated, untied season and a conference championship.

(Clockwise, from top right) JV's await the snap; players get last minute instruction from Coach Wagar; Bobby Williamson and Drew Tanney do water boy work; baby Tornado just misses the football.

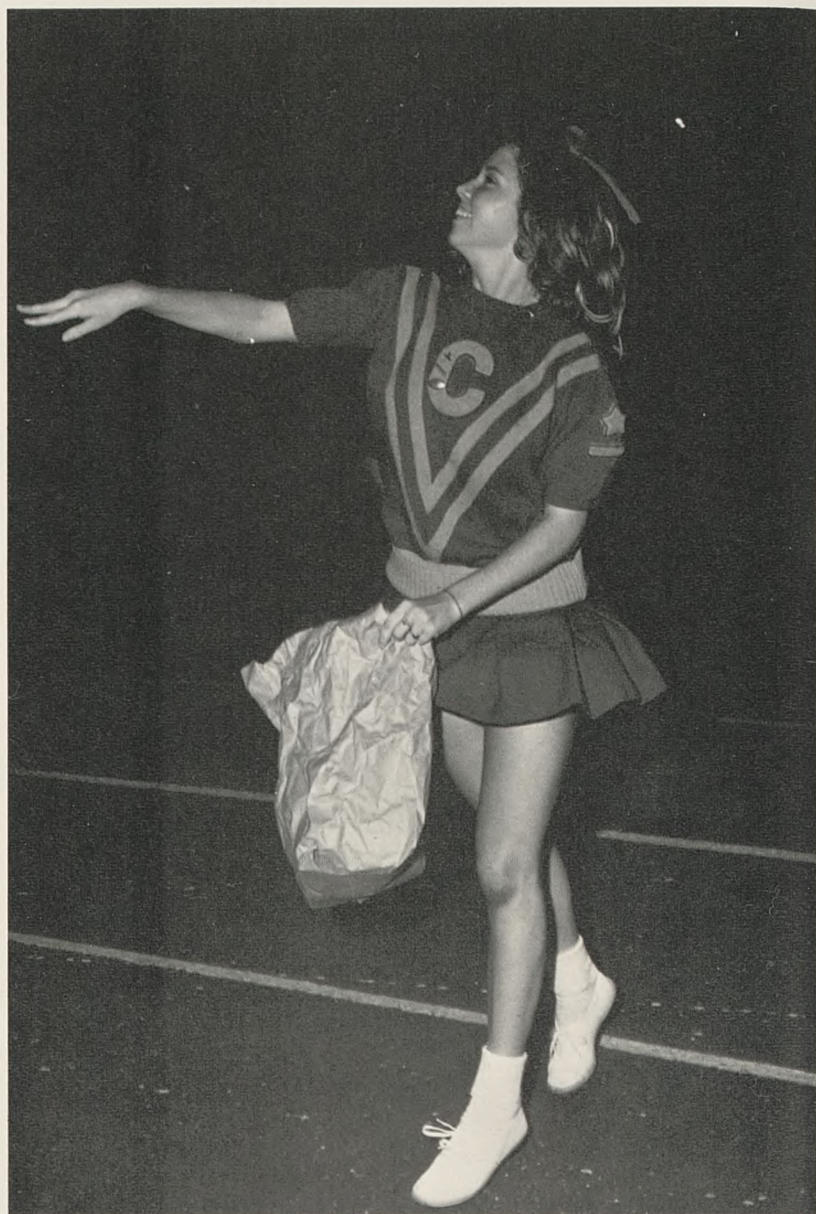

(Clockwise, from top right) Team does warm-up calisthenics; Tim Aydt attempts interception; Todd Hefter takes a break; John Pennington dodges defender.

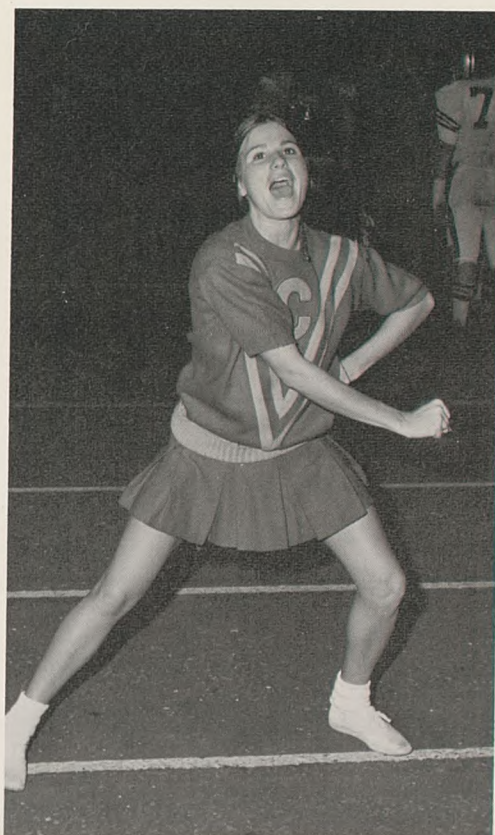

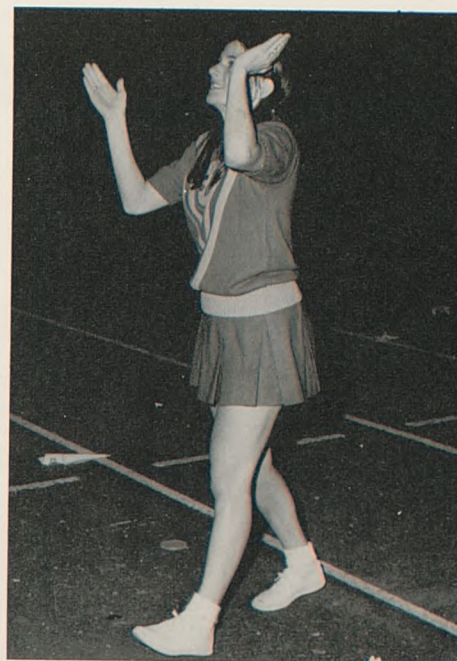

## *New Uniforms Highlighted Games*

Acrobatic stunts were featured in several of the varsity cheerleaders' new cheers, and most of the girls wore their hair longer after abolishment of the rules requiring short hair. During basketball season, the girls wore their old uniforms to school, but sported new red and gray knit outfits at the games.

# Tornadoes Dealt With Many Injuries

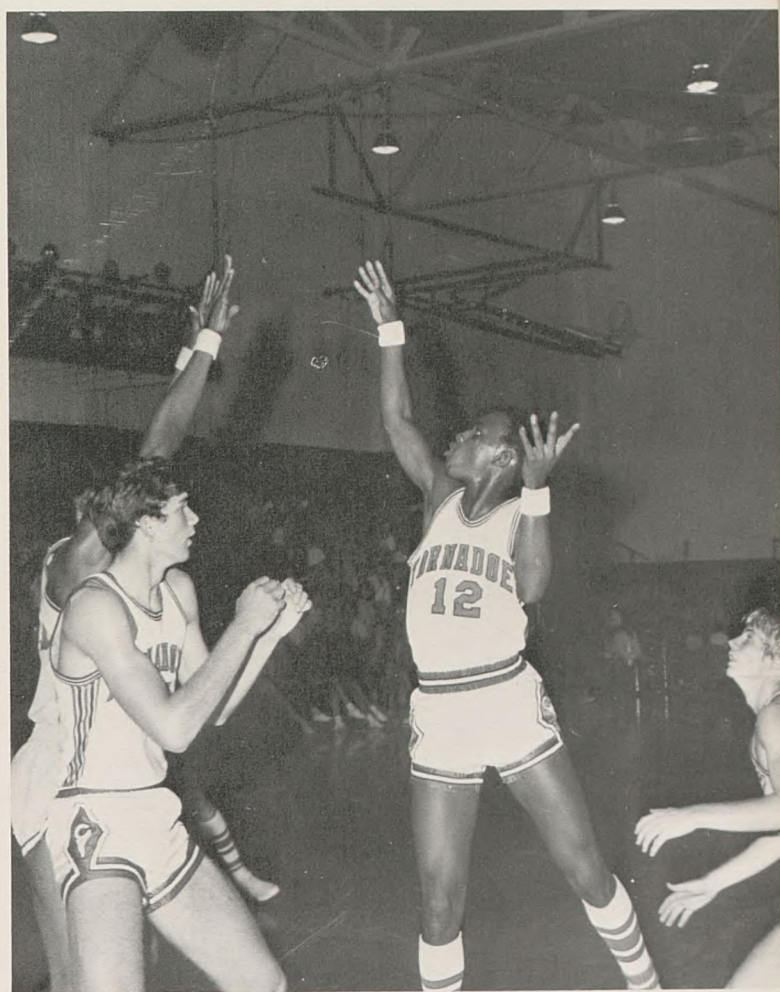

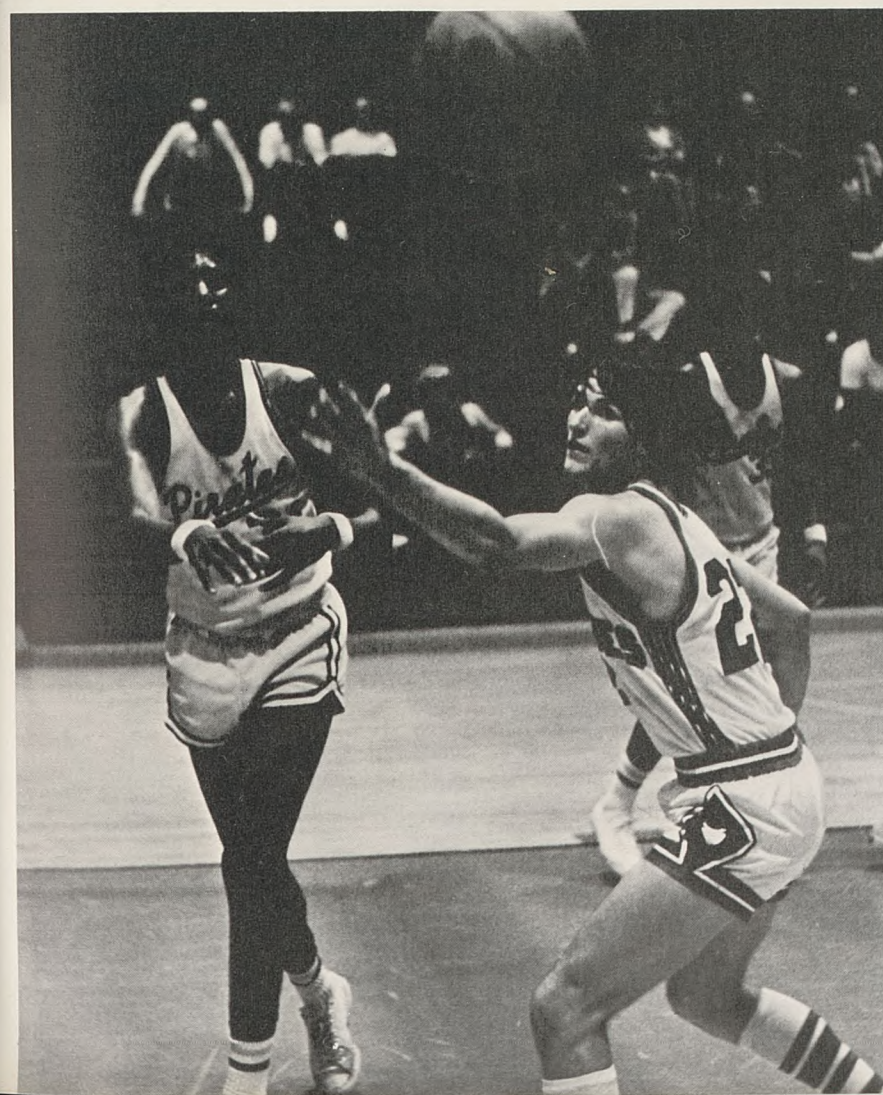

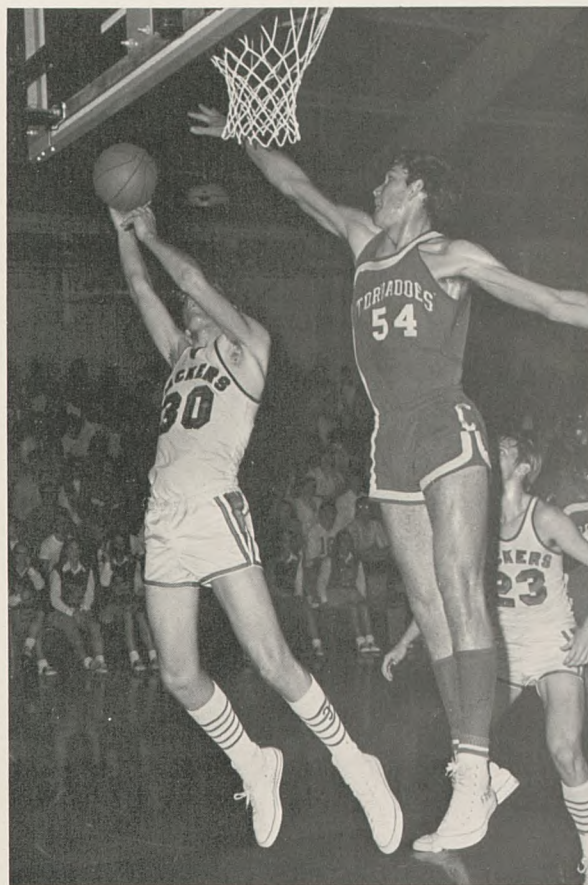

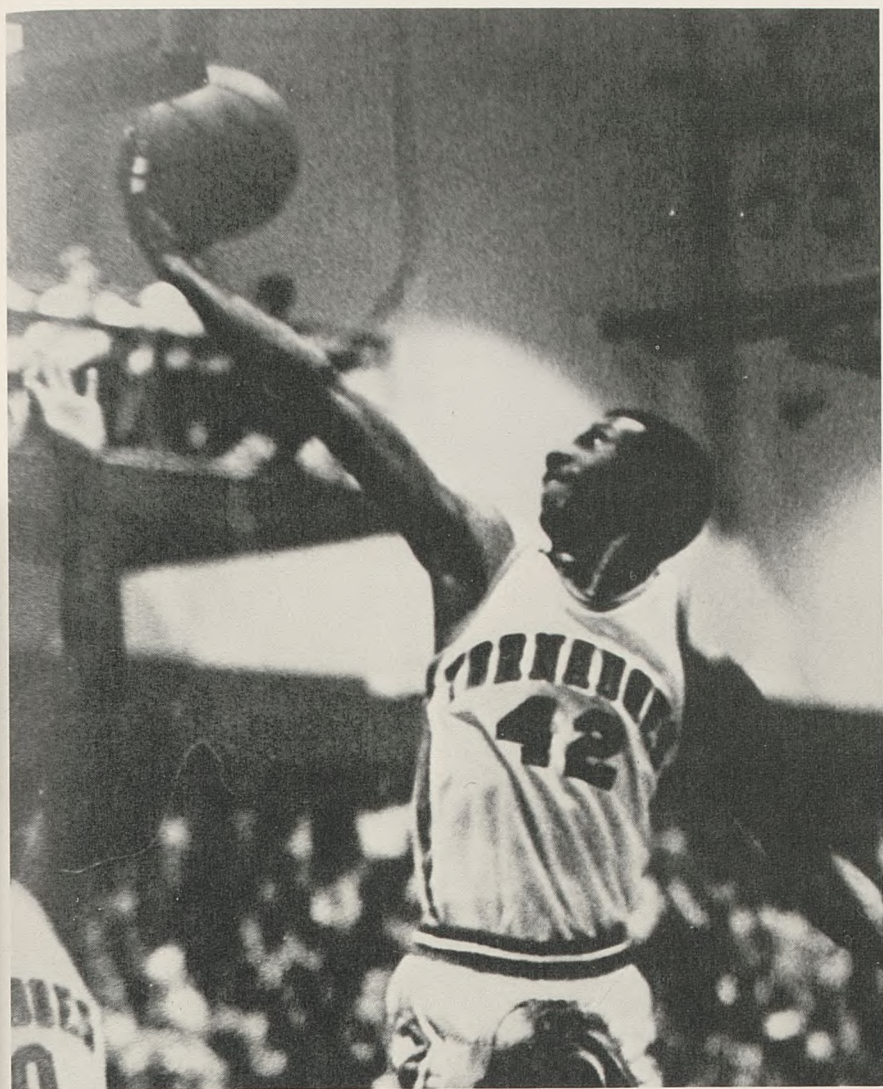

Plagued with injuries from the start, the Tornadoes lost Frank LeFevre and Dale Carmichael at the Christmas Tournament, where they had their first loss to No. 1 ranked Martin County. Carmichael's injuries prevented him from playing a full season. The players faced several teams whose strategy was to "freeze" the ball, but the team managed to overcome such problems to win. After falling to Gibbs and St. Pete in the last two conference games, the Tornadoes finished 19-4 to tie with St. Pete for second place in the PCC.

(Clockwise, from top right) Aaron Geise fights for the ball; Reggie Rutledge goes up, up, and away; Ray Meader shoots for two; Bobby Mitchell tries to steal it.

New batgirls, new coaches and a new practice location gave the baseball team an added incentive for winning this season. The team held practice on the campus instead of at Ray Green Field, to save time and to give students a better chance to come and watch the boys train. The players built a batting cage, and batgirls Sue Fleming, Terry Strickland and Debbie Slabaugh added color to the games.

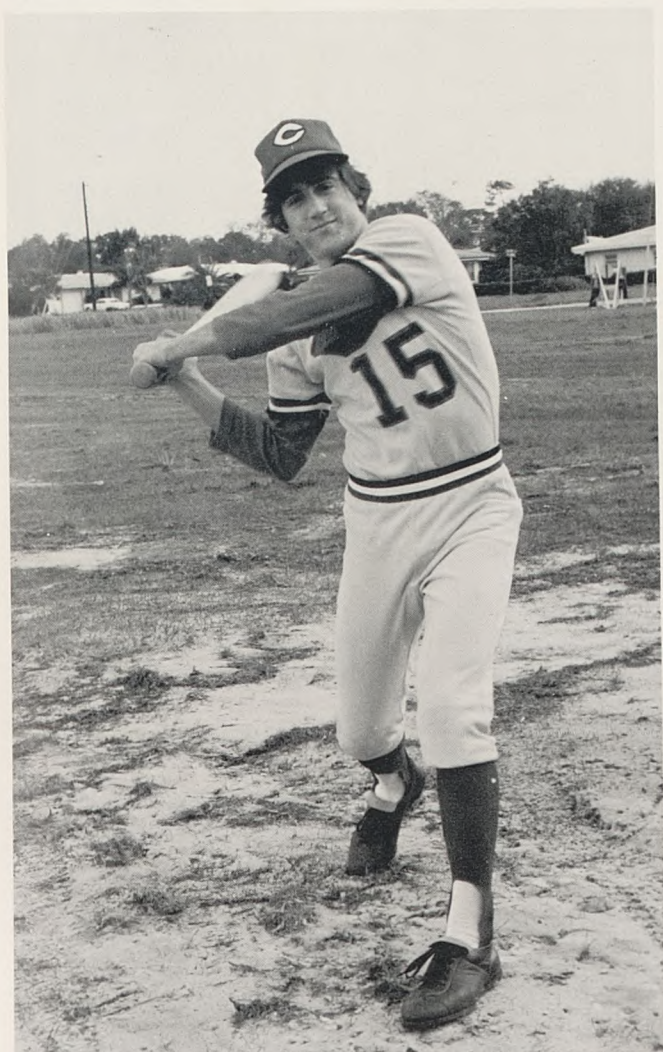

(Clockwise, from top right) David Zeigler swings away; Batgirls; Keystone Kids strive for excellence; Rick Bouchard throws that high hard one.

# Racketeers Netted Many Victories

High-ranking tennis team members set their goals toward the state championships this year. With four of last year's starting five returning on the boy's team, the players had a good chance of being eligible for state competition. Only two of last year's starters returned for the girls, but the 11th ranked team was also predicted to go state.

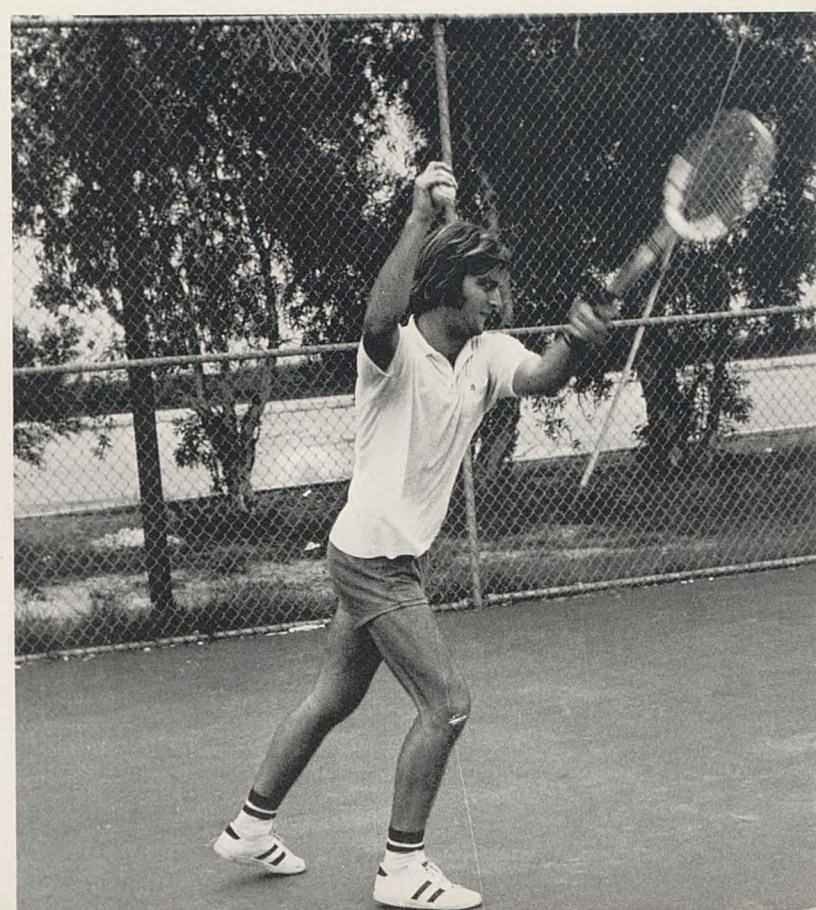

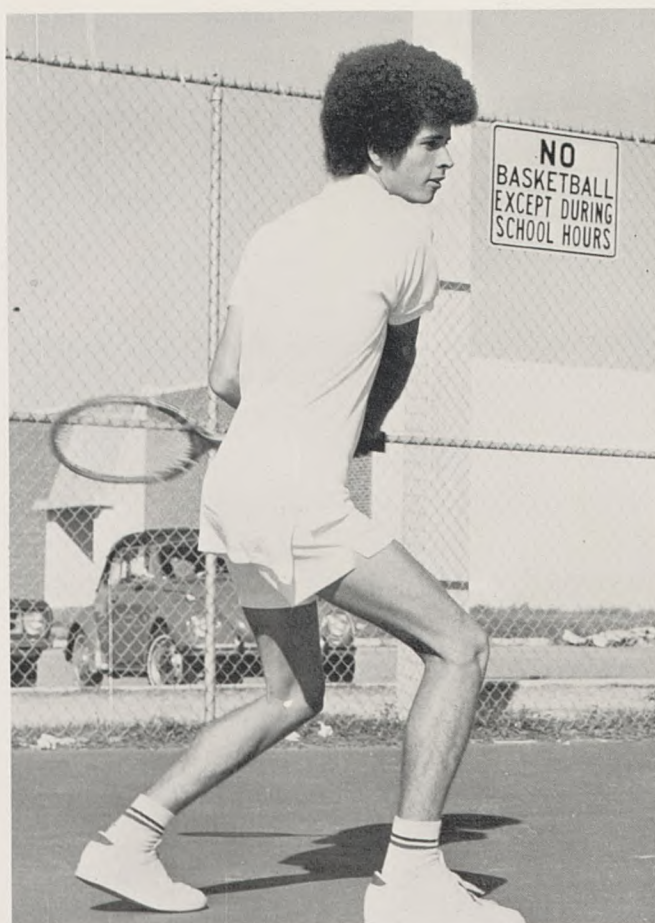

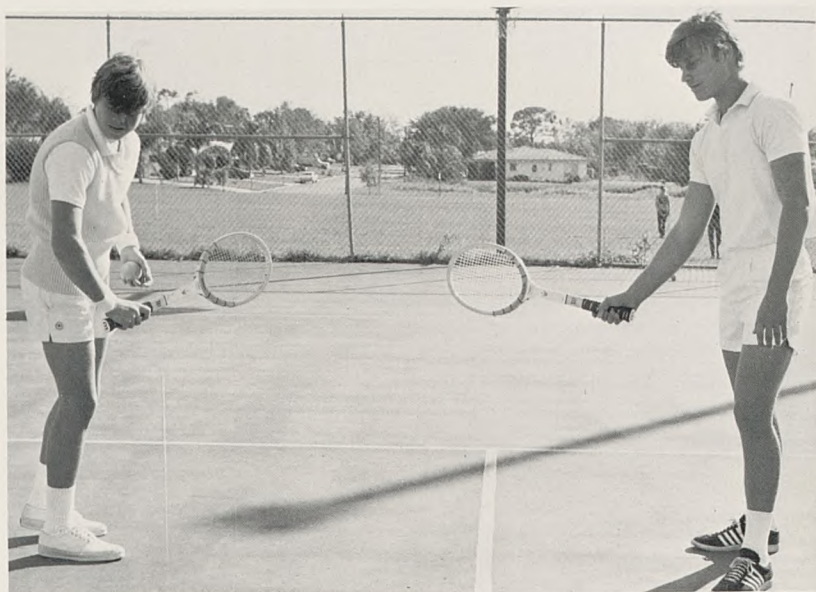

(Clockwise, from top right) Leigh Meriwether returns; Ingrid Anderson is ready for the serve; Bob Martinjack plays the fence; Russ Marcotte demonstrates a return; Marcia Redd knows practice makes perfect.

(Front row, from left) Dave Dennard, Dennis Russell, Steve Nichols, Irwin Rich, David Hagan. (Second row) Gerry Fraley, Terry Hone, Mike Kershaw, Dick Crosser, Glenn Davis, Curt Nichoff.

# *The Profession*

*In memory of Mr. Adam Forinash, our registrar, who devoted many hours of his time and effort to helping the students, faculty, and administration of Clearwater High, we dedicate this section of the yearbook.*

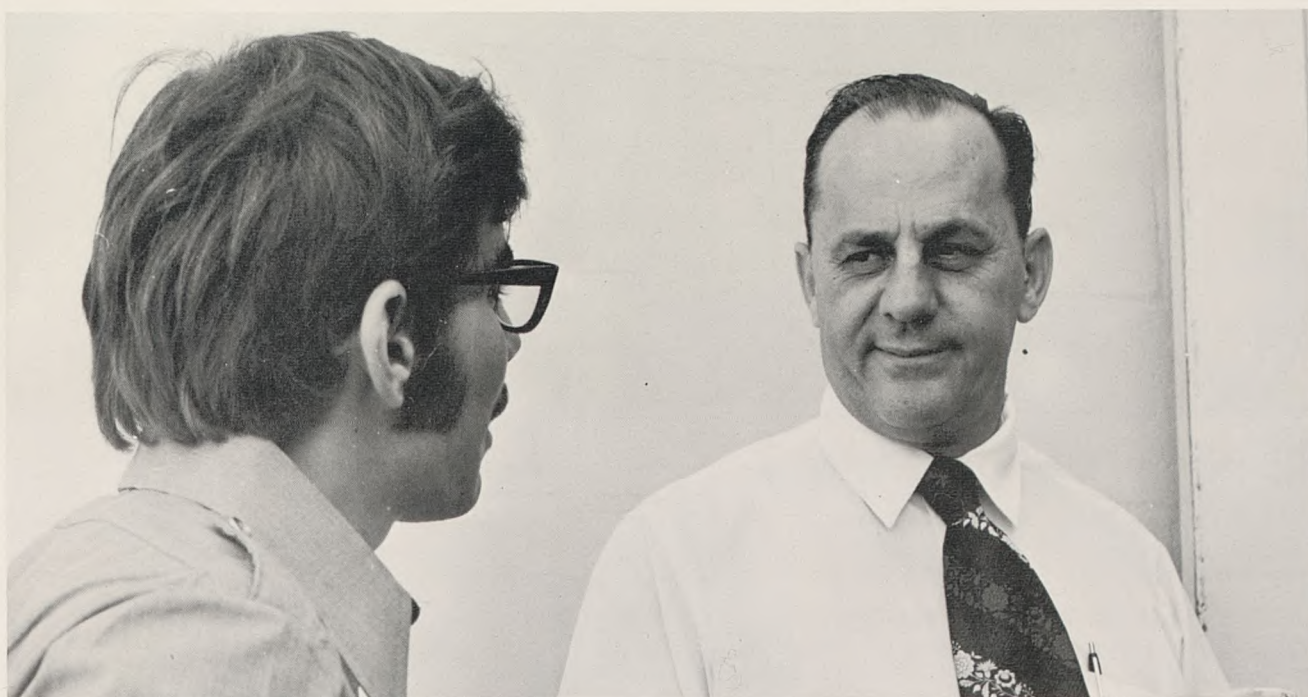

# Administration Initiated Programs

Principal William Justice, returning for his second year, encountered health problems in the beginning of the year. During his temporary absence, Mr. Garnett Williams tackled both principal and assistant principal positions. Together they initiated two programs, the Bi-Racial Committee and the Independent Study Program.

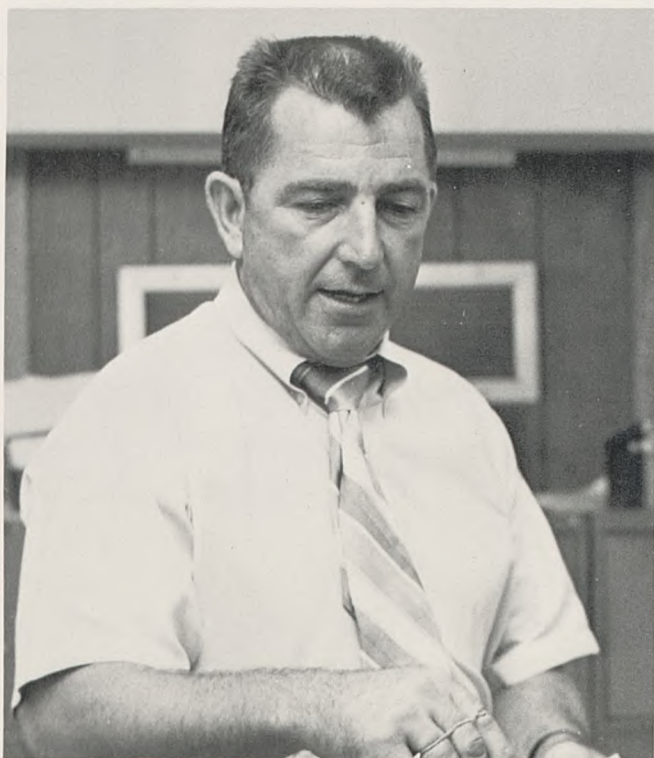

(Clockwise, from top right) Mr. William Justice; John May speaks with Mr. Justice; Mr. Garnett Williams.

## College Corner Highlighted Guidance

Several changes were made by both the deans and counselors. One was the abolition of absentee excuses, but spot checks continued to be made. Mr. Sal Gaiter, a former social studies teacher, joined the Guidance Department, along with Mrs. Sharon Lazarus, a job counselor. In addition, a badly needed college information center was installed. Mr. Ronald Isackson became registrar after Mr. Forinash's death.

# Science Conducted Labs, Research

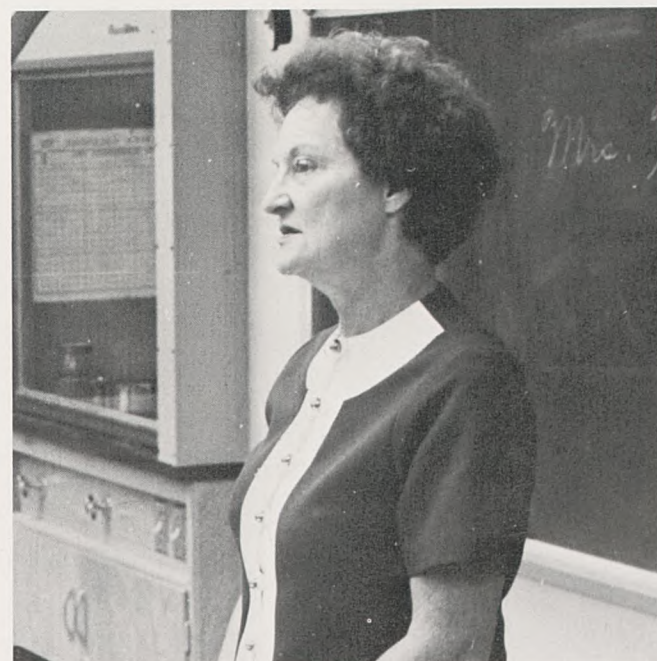

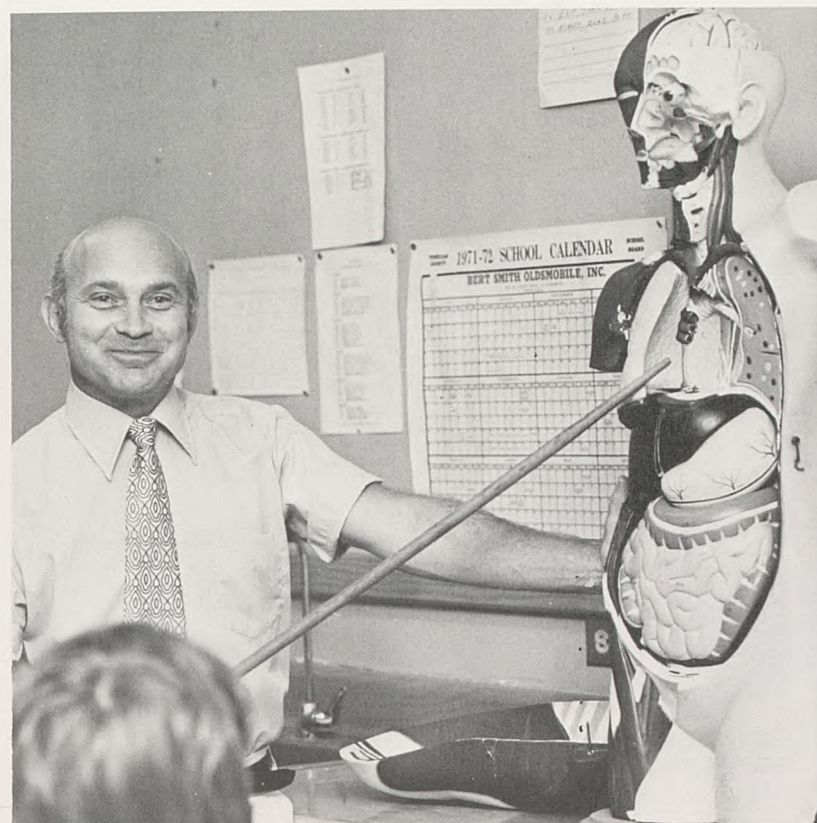

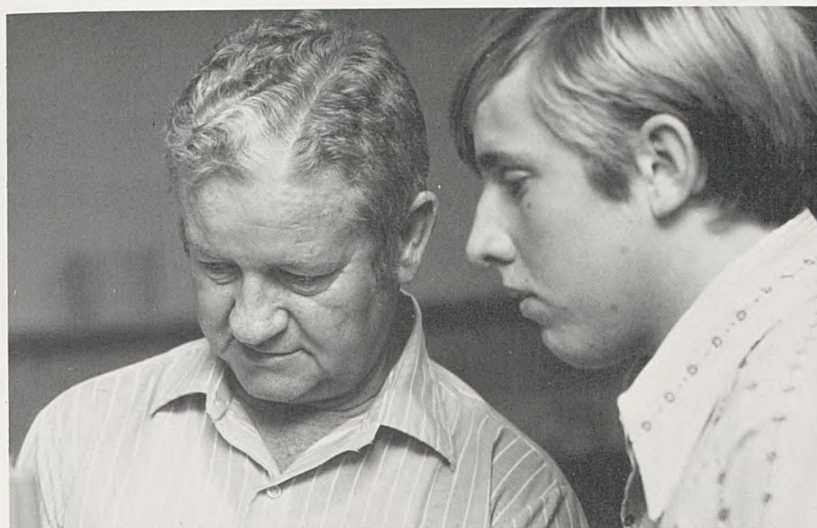

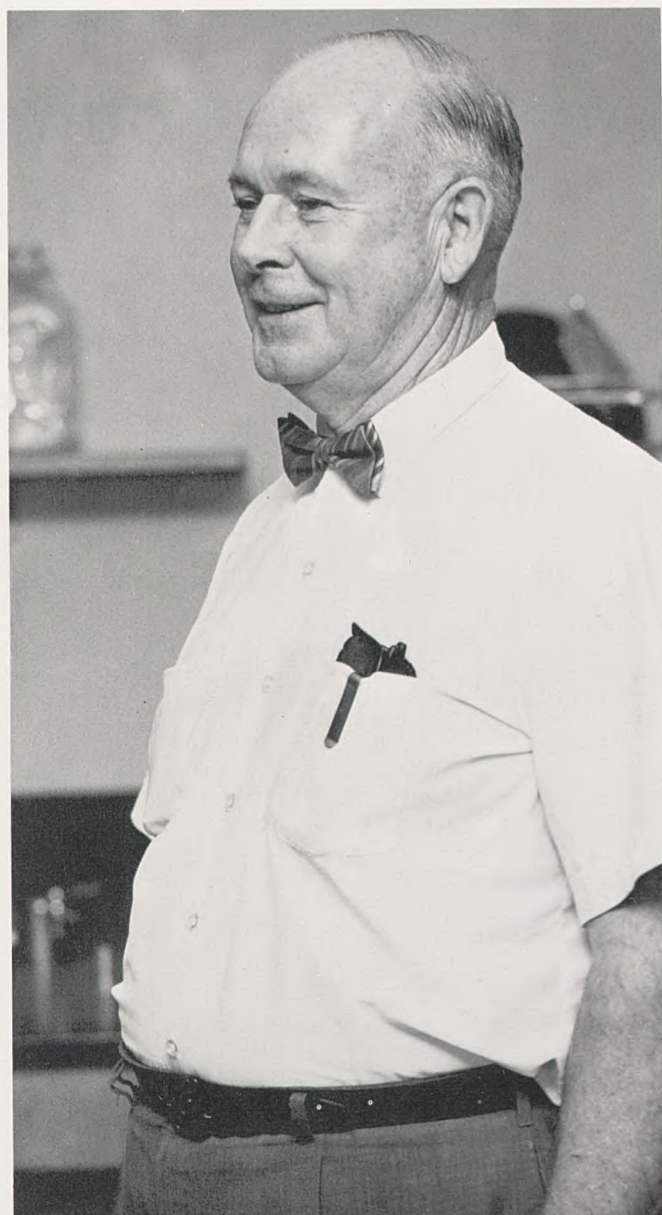

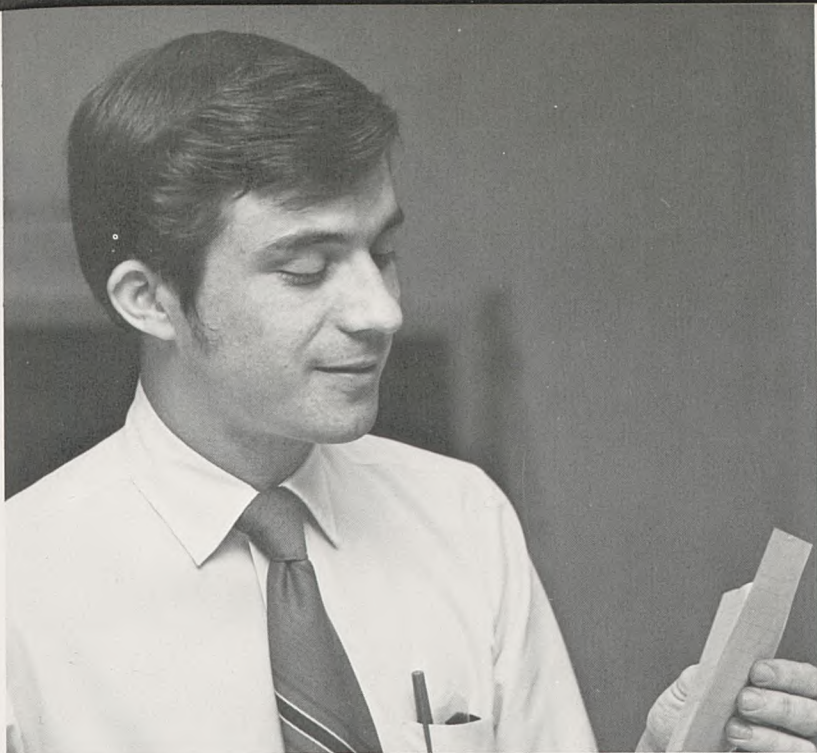

After several years of planning, a Marine Biology course finally hit the science scene. Taught by Mr. Robert Gliha, students were required to maintain their own aquariums. Two classrooms, E-8 and E-9 were converted for use by the Science Department.

# Compacts Widened Drivers' Skills

New movies, a new teacher, and two new compact cars livened up the Drivers' Education Department. Mr. Harold Reddick returned from Largo to join ranks with Mr. Ed Wells and Mr. Jack Wilson to coach students in safe driving habits. A white Opel and yellow Volkswagen added color to the driving range.

# PE Displayed Best Equipment

Sophomores received general instruction in physical education while upper level classes stressed specialized development of skills. Archery, golf, and gymnastics were especially popular and students enjoyed a wider range of PE equipment than any students in the country.

# Library Took A New Look

Geometrically designed seating arrangements and an expanded listening center produced a bright new look in the three year old Media Center. A newly arranged card catalog system, tape recorders, and record players made the library as functional as it was attractive.

(Clockwise, from top right) Mrs. Mary Lou Knight, Mrs. Lorine Craft, Mrs. Knight and Mrs. Robertson discuss policies with County Supervisor; Mrs. Elizabeth Stevens, Mrs. Jeanne Robertson, Mrs. Jean Sellers.

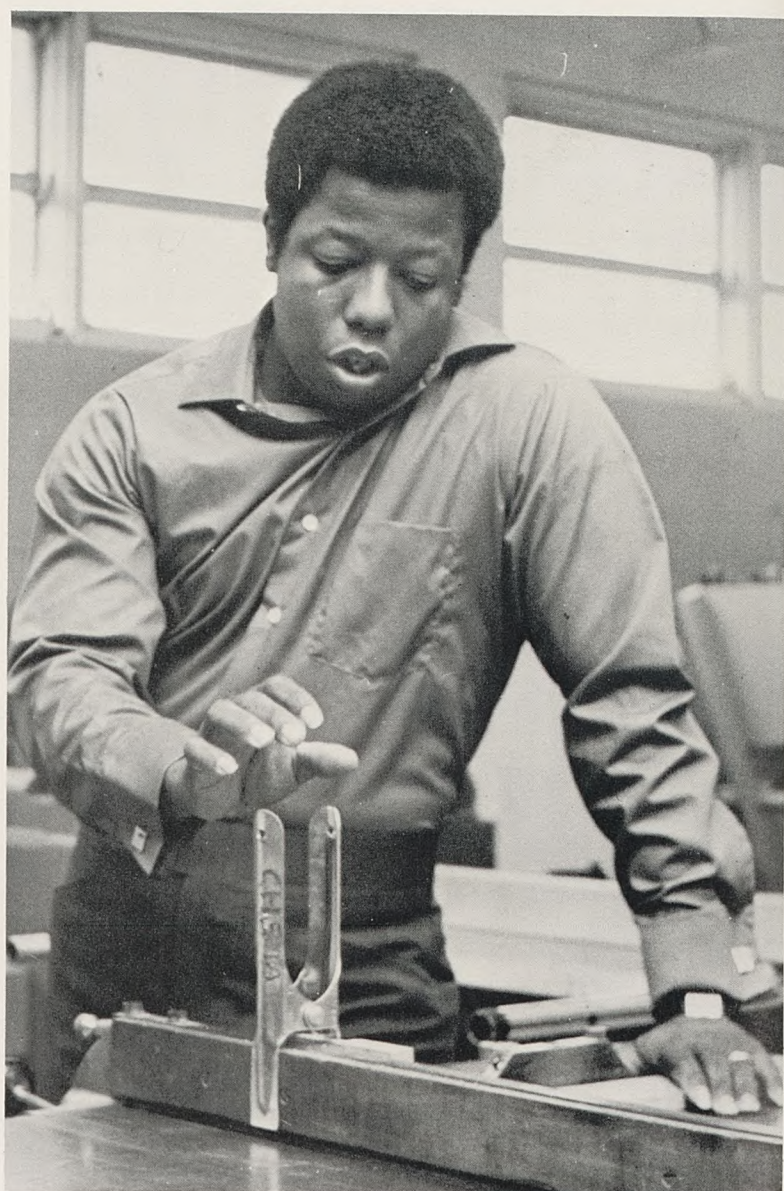

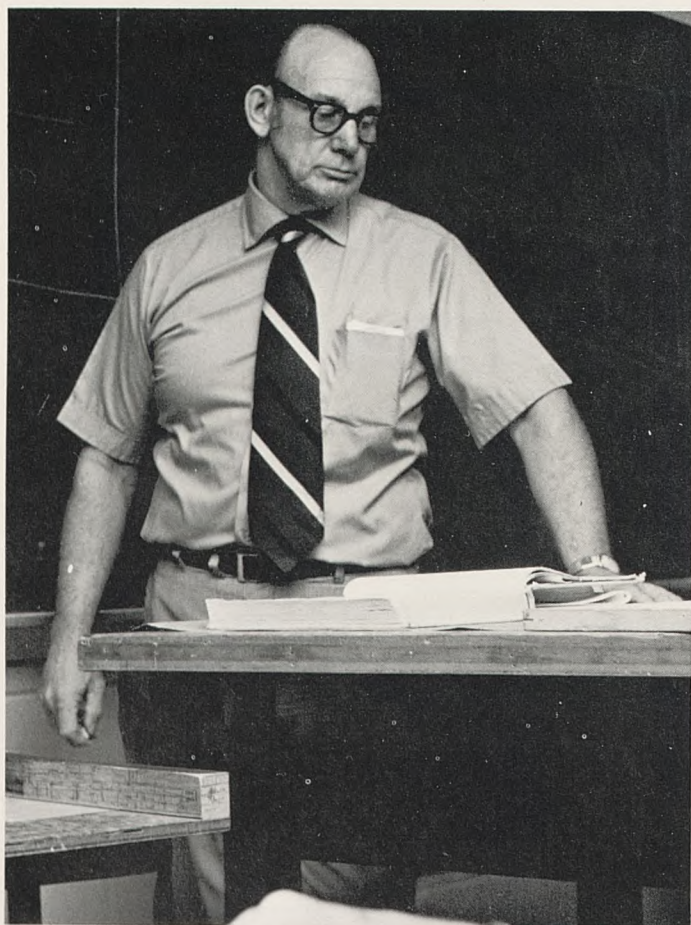

## New Equipment Helped Home Ec

Team teaching, new textbooks and tape recorders were introduced in the Home Economics Department. In addition, two refrigerators and four stoves were added in an effort to keep up with modern homemaking techniques.

## *Shop Students Made Good Time*

Manufacturing students worked on grandfather clocks as a special project, and bought them after completion for \$135. During activity period, practical arts teachers opened their rooms to students who wished to test their creative abilities.

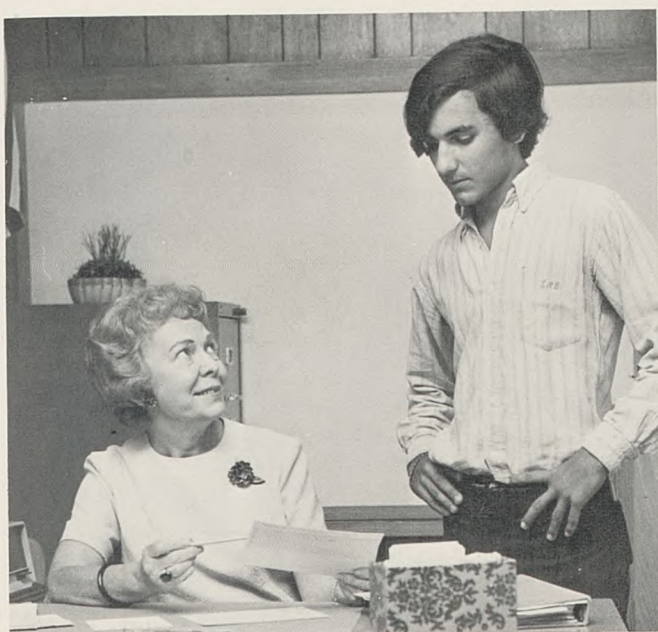

## Guidance Got New Secretary

To lighten the load of the counselors, Mrs. Marilyn Goudeau took on the role of guidance secretary. Replacing her at the front desk was Mrs. Carolyn Prohaska. Other secretaries worked together to keep business running smoothly throughout the school. Approximately once a week, cafeteria workers prepared chicken-and-yellow-rice, a favorite among students. Mr. Tom Lynd, a 1967 graduate of CHS, took over pool responsibilities.

*It was a moving year. It was Leap Year, Olympic year, election year, Year of the Rat. Nixon traveled to Peking and Moscow, a spacecraft traveled to the edge of our solar system, and CHS seniors traveled to Disney World on graduation night.*

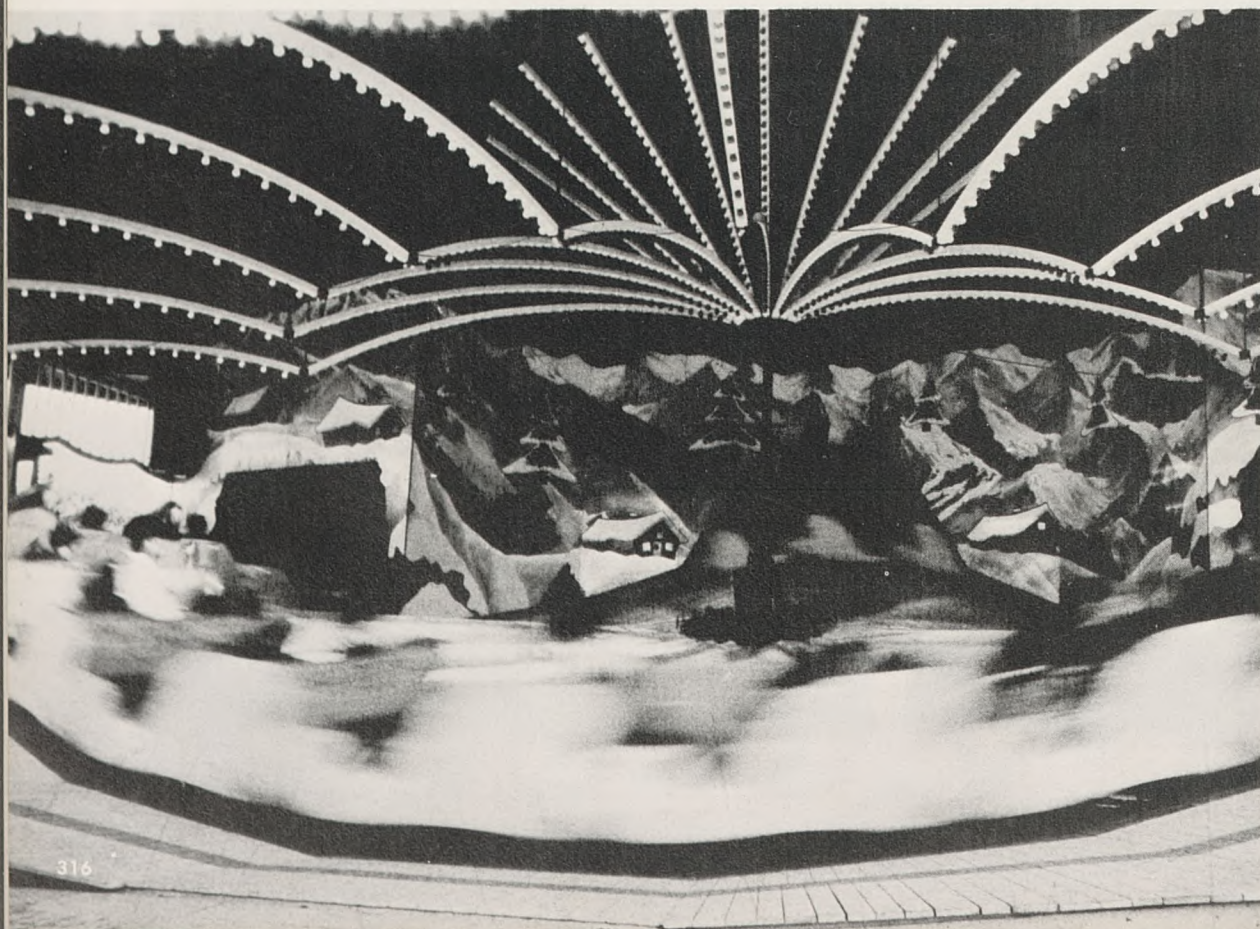

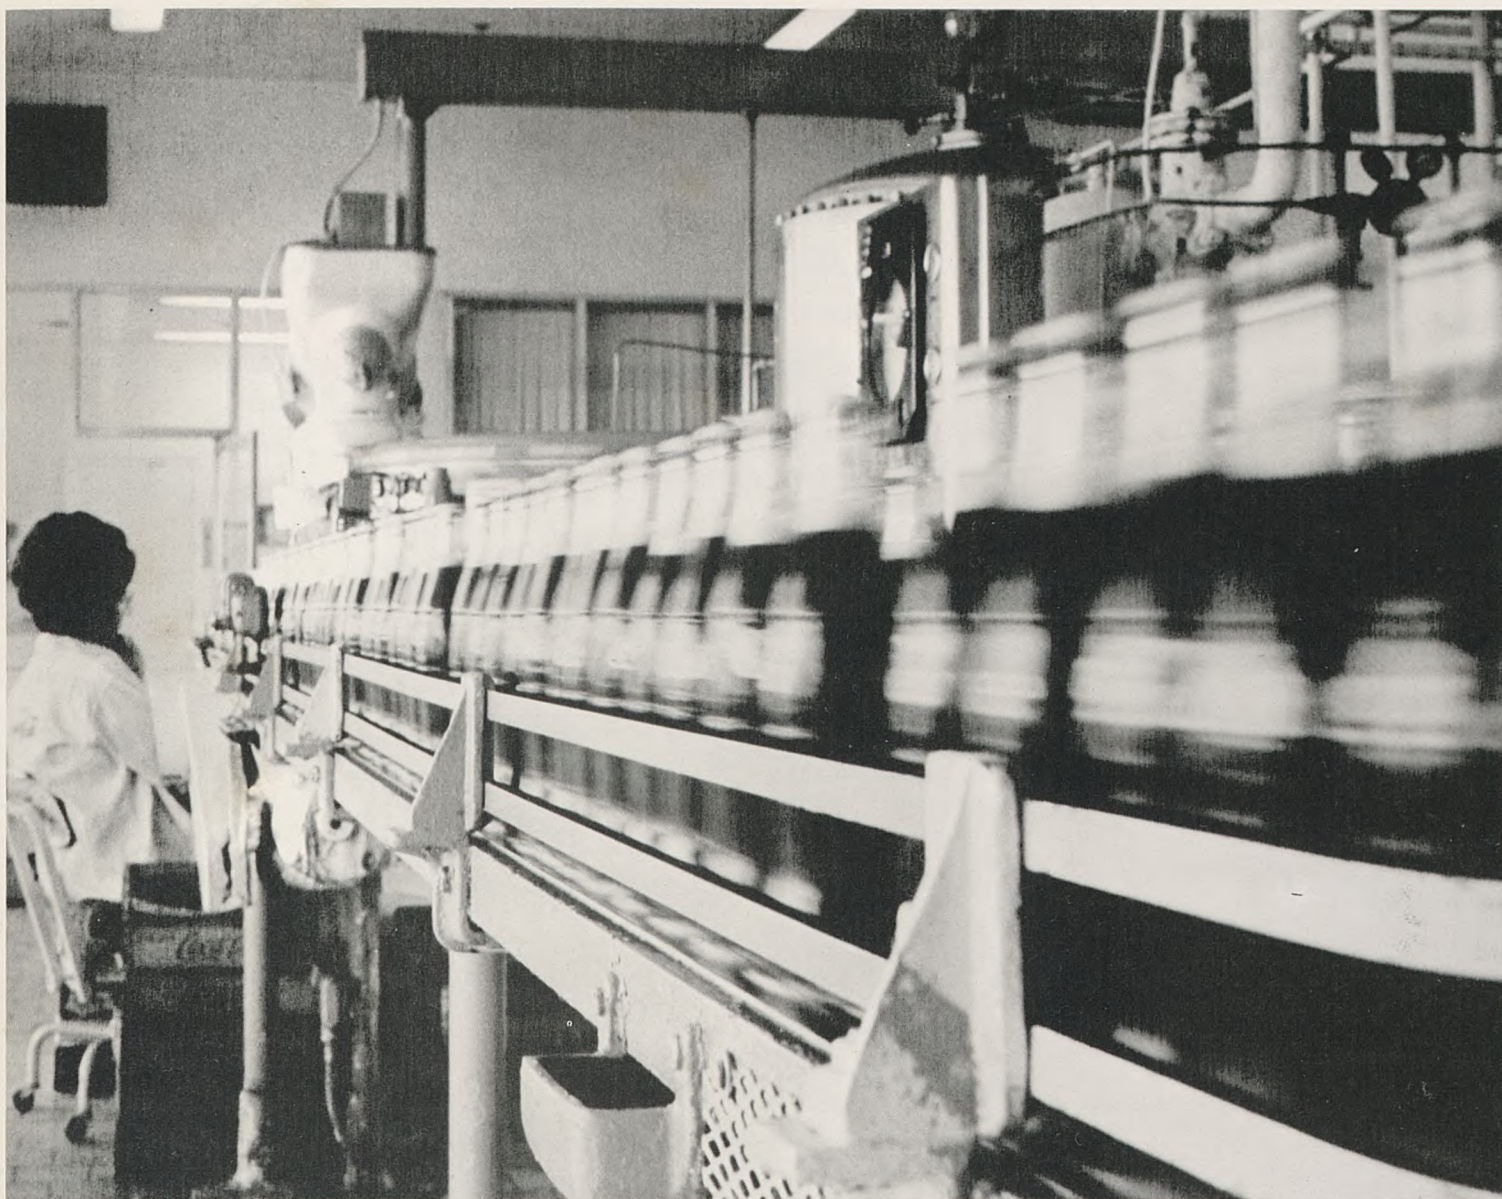

*Prices froze while Ireland burned, Bangladesh was born and Howard Hughes and Mao lived on. Red was "in" for lips, fingernails, and a little book of quotations, and youth flourished on patched jeans, now knits, and American Pie.*

*The war slowed down and political campaigns stepped up, and 18-year-olds across the country cast their votes for the first time. Students turned from protest riots to registration rallies, and revolution gave way to evolution.*

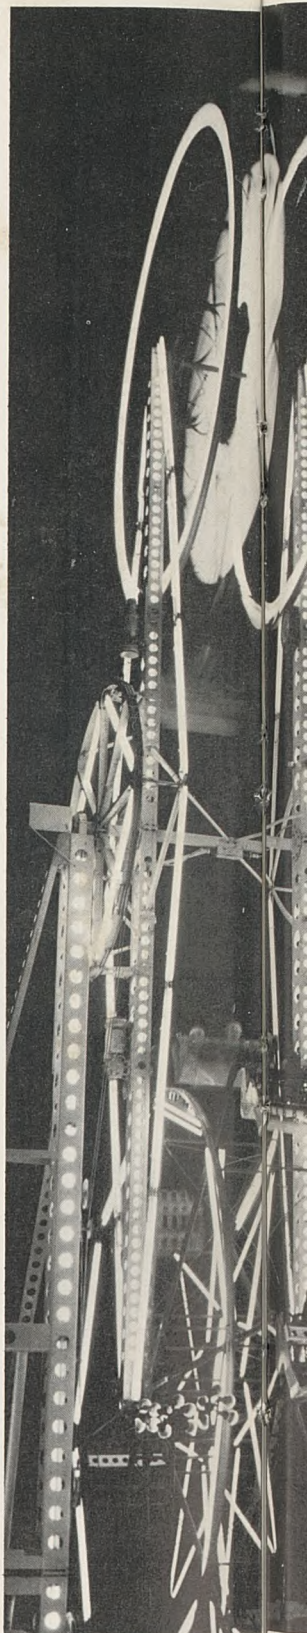

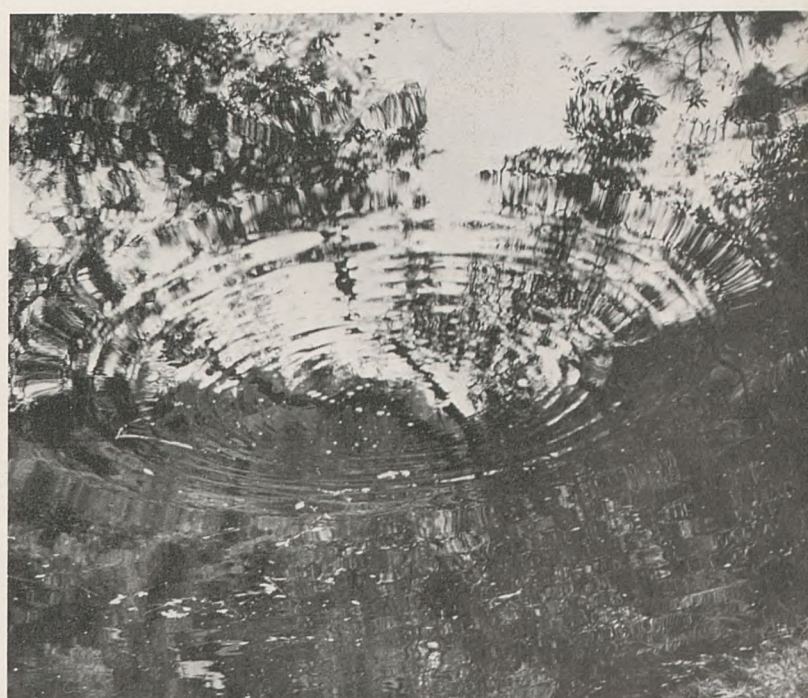

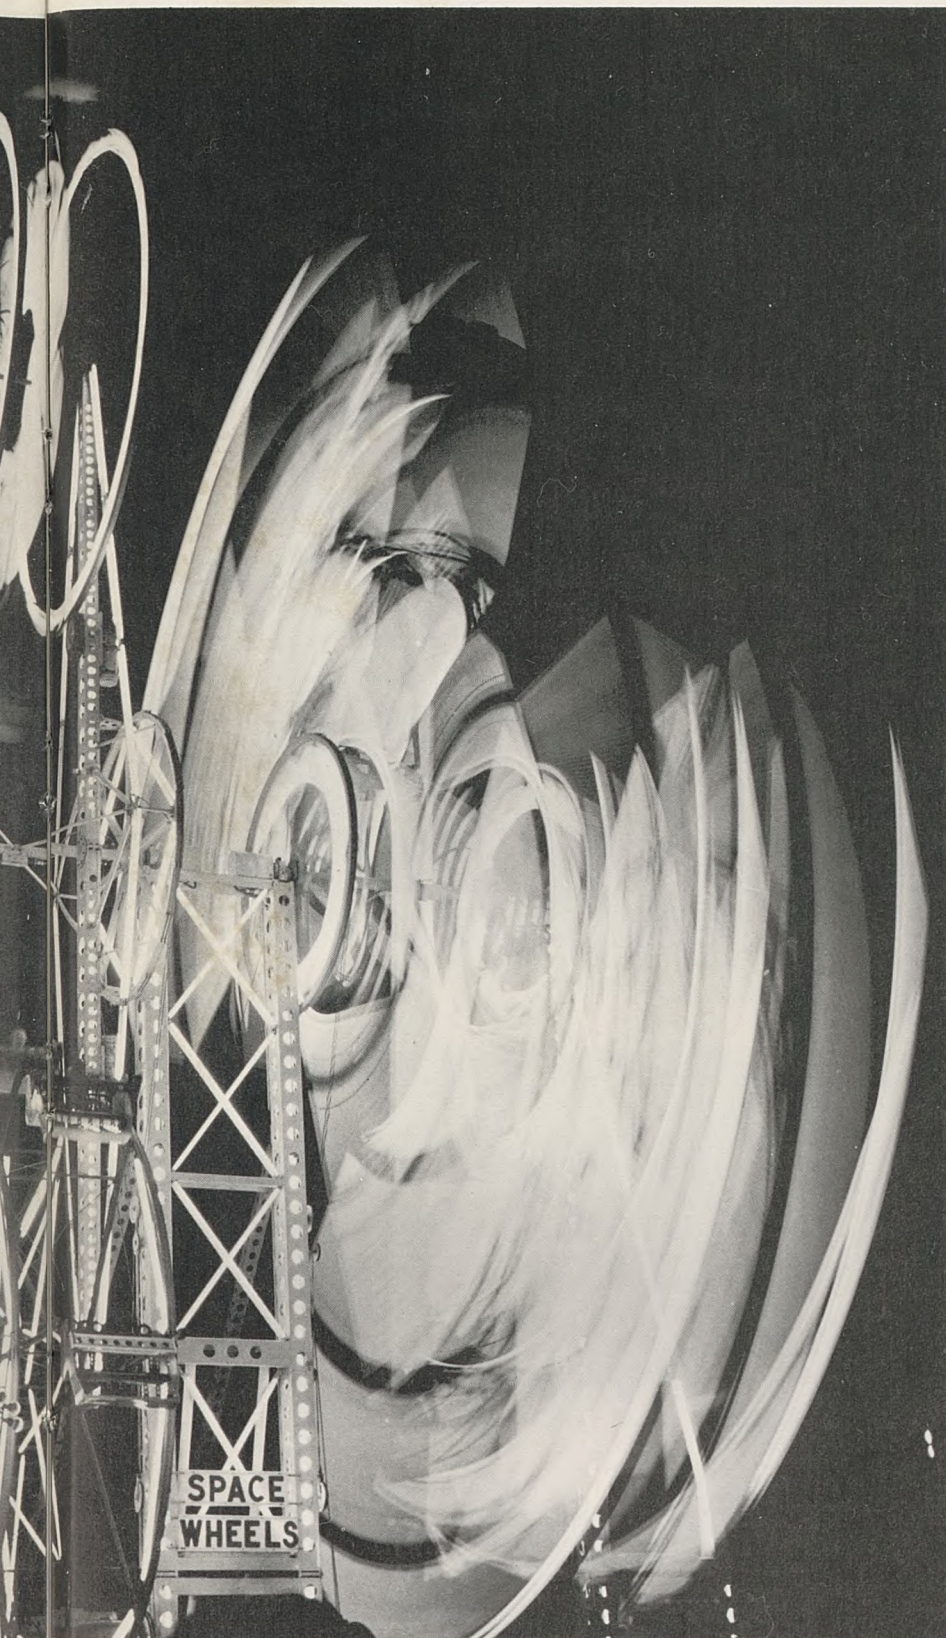

*Fashions, music, and movies looked back in time for inspiration, reflecting a new trust in old standards, a calm, mellow attitude; a return to the Establishment.*

*America reached out to the people, and the people reached toward each other. Striving for unity, America moved forward.*

## ... Moving Right Along, Now ...

Motion. In our fast paced, fast moving, ever changing world, our society demands that we keep pace, that we move.

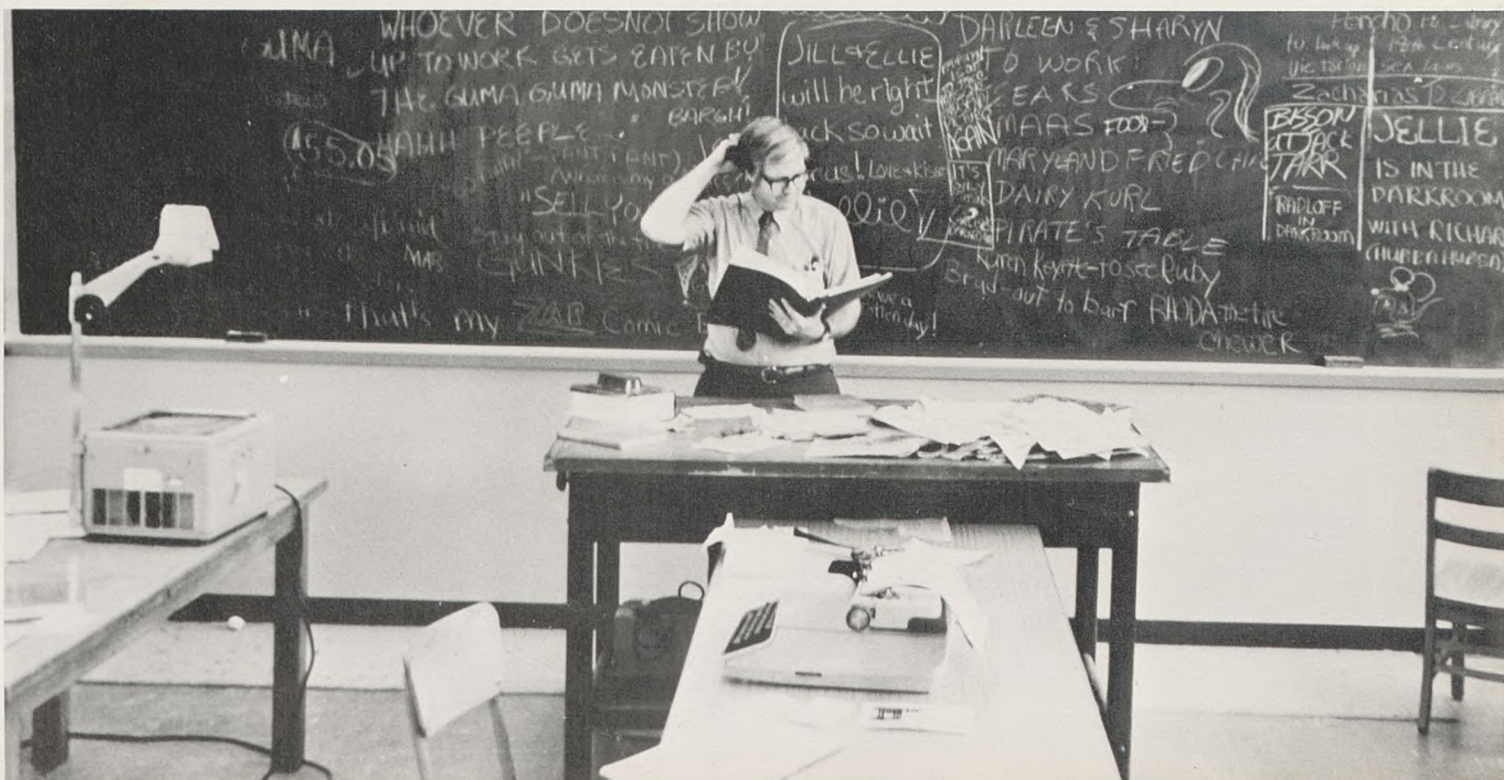

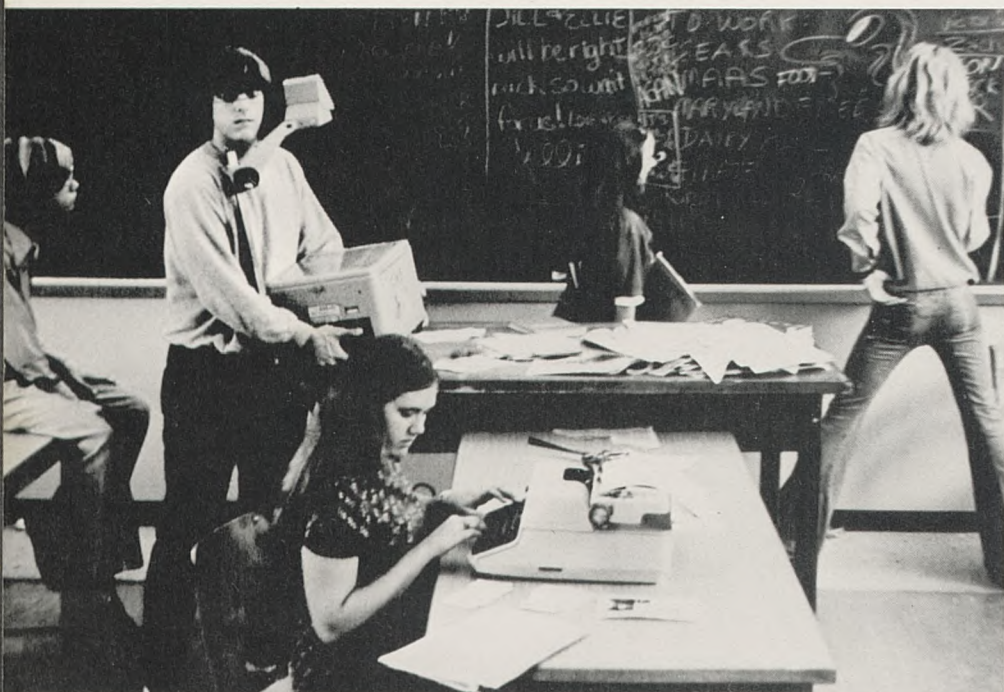

The *Aqua Clara* moved with the year; either toward or away from the action, and many times it was the action. We reflected the motion of the times; the music, the fashions, the politics, and the general pace of our lives.

For their help I thank Mr. Justice, Mr. Williams, Mr. Royal, Miss Clark, and Red Huber; Paul Baker, Cliff MacBroom, Jessie Walker, and June Heim of Bryn-Alan Studios for their toleration of our escapades. I express my thanks to Bryan Bisson, Steve Carlisle, and Robert Noguere for their pictures. My deepest thanks go to Richard Radloff, our chief photog and now a dear friend, for all of the days and nights he spent taking, developing and printing our pictures. (A special thanks to Louise for letting us borrow Richard those many hours.) Thanks also to Jack Daniels, Masque and Gavel, to the teachers who understood when we needed time out of class, and of course to our very patient leader Mr. Thomas Pierce.

After being constantly together for seven months, our staff picked up its little sayings. Our included: "Where's the copy? — Tell Jellie she's holding up 87 pages. It's a new day — Where's Ezra? Stay out of the files — the Gunky will bite you! Starting a little late — aren't you? Then maybe you are starting a little early! Who's drunk? I beg your pardon? GUMA, GUMA! SELL YOUR ADS! (only 55.05) What's a peeka? Oh, a whole line? Who is the editor? Darleen is the editor? Oh, I thought that Eileen was the editor. Then, what is Eileen? Come to think of it, where is Eileen? Who's in the darkroom? Is Richard in the darkroom? What about that darkroom? What can I do now? You mean Sharyn still isn't back from Bryn-Alan? That is not going in the epilogue and you know it! When is the next party? What did happen at the convention? What happened to Lori? Has anyone seen Lori? We lose more people on this #@\$% year-book!!"

In all this one can only ask — "Is this any way to run a year-book?" Maybe not, but we had a good time. The whole staff was weird. Twenty-seven girls and five guys. We moved backward, moved forward, and then moved in!
